

## Lease Back opportunities

Scanlon Aviation is looking to increase the size and makeup of our aircraft rental fleet. We are interested in adding the following types of aircraft:

Cessna 172

Piper Warrior/Archer

Cirrus SR20 or SR22

Light Sports aircraft

Advanced flight simulator

Please contact Patrick Scanlon to discuss the advantages of joining the Scanlon Aviation family of partners. Some of the advantages are:

Reduce/eliminate overhead cost of aircraft ownership

Airplane is professionally maintained

Possible tax advantages for the aircraft owner (This varies substantially from one individual to the next)
